## PRESENTATION GUIDELINES

- **Lectures:** 25 mins for all plenary lectures (20 mins lecture/5 mins discussion), 20 mins for author workshop, 6 mins for presentations in the *Biomacromolecules* Forum. **Note:** LED screen has a dimension of 10 m wide × 4.5 m high, please adjust your slides accordingly for best presentation. Please contact Prof. Chao Deng to save your presentation in the SIPCD computer or check the connection of your laptop half day before your lecture.
- **Poster Presentation:** Please print your poster in high quality with a dimension of 90 cm wide × 120 cm high according to the Poster Presentation Guidelines (<http://www.sipcd.com/general.php?tid=17>). Eight *Biomacromolecules* Poster Awards will be selected and presented during the banquet. Please set up your poster after Session 3 (16:00-16:15) on 15/9 (Saturday) in Grand Ballroom. Your poster position is designated by the poster number (see SIPCD 2018 Program) on the boards. Staffs will be available on-site to help you fixing poster. We recommend presenters with odd poster numbers to stay by the poster between 16:15–17:15, with even numbers between 17:15–18:15, to introduce your work.
